To Whom it May Concern,

Re: GOLD TAP SERVICES

Glenorie RSL Club has used Gold Tap Services for the previous eight years for all of our beer line, cellar and spirit ETN maintenance.

Jason has always been reliable and has a good knowledge of all aspects of cellar and bar operations. The response time to any issues we have reported is prompt and he is always very helpful and easy to deal with

The company also offers comprehensive sales and service, which includes:

- Complete spirit and beer monitoring systems
- Post mix and syrup
- Glycol installations
- Beer line cleaning
- Compliance issues

I would have no hesitation in recommending Gold Tap Services.

Yours sincerely,
